Re: Jane Gibson

Interview with: Detective Kirkham.

Operative interviewed Detective Kirkham at the County Prosecutor's office and he states that he interviewed Mrs. Easton in regards to the people living in rooms over her as he had information that they were operating a badger game. She had nothing to do with it. The information did not amount to much as there was nothing done about it.

In reference to the arrest of her son, William Easton, he referred me to Mr. Morrison, who has charge of the records of the Juvenile Court. He states that he never could find such a record and searched through his files, but there is not a William Easton mentioned in them.

Respectfully submitted:
